## **Q&A:**

### **If a group were interested how would they secure the booking?**

Contact Dean Jones ([dean.jones@lalgroun.com](mailto:dean.jones@lalgroun.com)) or Kerstin Doerfler ([kerstin.doerfler@lalgroun.com](mailto:kerstin.doerfler@lalgroun.com)) to check availability. The residence can be secured with a deposit of 20% as per our deposit scheme in 2006 - the 20% is per student and therefore if they only get 13 students (for example) the deposit for the two missing students is not added to the 13 that arrived.

### **What if the group finishes smaller than 15?**

We reserve the right and intend to move individual students into the residence.

### **What if a partner would like to book the 11-activity programme including the 5 evening activities per week?**

This non-smoking residence is located close to Torquay town centre and approximately 25 minutes travel time from our main school building (by bus). Le Papillon bookings do not include the evening programme for the following reason - the residence has good social areas and lots to do and therefore there is no need for students to travel in the evening.
